

Welcome to South Whidbey Community Park & Sports Complex

Guide to Trails

- Waterman Loop
- Salal Lane
- The Switch Back
- Windfall Ridge
- Park Connector
- Water Tank Way
- Westling Loop

DIRECTIONS:

From SR525 traveling south, turn left onto Maxwellton Road. If traveling north on SR525, turn right onto Maxwellton Road. Follow Maxwellton Road .6 miles to the park's entrance on the right-hand side.

Especially fun for families, South Whidbey Community Park has it all, with a playground, skate park, picnic area, baseball and soccer fields, and groomed trails for walking and running.

What kind of a walk would you like to take today?

Easy Woodland Walk 15-20 min.
Begin at the parking area north of the Upper Soccer Field, following the Westling Loop. Take the Park Connector or Water Tank Way to shorten your experience.

Moderate Walk 20-30 min.
Start at the trailhead north of Field 4 and follow the Waterman Loop. At the end of the loop, you can walk the grassy edge of the park back to your car. To extend your experience, consider adding the Salal Lane to the Waterman Loop.

Full Park Exploration 60-90 min.
Start in the area north of Field 4, walking the following path: Waterman Loop to Westling Loop to Park Connector to Windfall Ridge. At the end of the trail, you can walk the grassy edge of the park back to your car.
